

- Solar and edge clips
- UV - Resistant
- Impact resistant
- Heat resistant

Technical data

Description	Solar and edge clips
Material	Polyamid 6.6 HS
Temperature range	-40 to +120
Approvals / Standards	

Color

Product image	Designation	Description	VPE
	EC-15	Edge clip for fastening cable ties on top and side	100 st.
	EC-18	Edge clip with cable tie sideways, clip 12.6 x 15 mm, tie 3.6 x 160 mm	100 st.
	EC-20	Edge clip with cable tie sideways, clip 12.9 x 15 mm, tie 3.6 x 160 mm	100 st.
	EC-22	Edge clip with fastener for corrugated tube NW10	100 st.
	HC-1	Fastening clip for mounting in drilled holes with expansion anchor	100 st.
	HC-2	Fastening clip for mounting in drill holes with slat foot	100 st.
	PC-1	Fastening clip for attaching cables to a profile without cable ties	100 st.
	PC-2	Fastening clip for attaching cables to a profile without cable ties	100 st.
	PEC-1	Edge clip for attaching cables	100 st.
